## It Gets Easier

You discovered this when you were learning to ride a bicycle,  
bake a cake or recite the alphabet;

Everything seems at its most difficult  
just before it starts to get easier.

So, relax, when things appear at their bleakest,  
your life is just about to take a turn for the better. *Paul Wilson*

O Lord, during this time, help us to make quiet time with you  
so that we can rediscover ourselves.

We ask this through Christ Our Lord. *Amen*

## Dear Parents, Staff and Students

Another term comes to an end; but what an exciting and productive term it has been, both for students and teachers!

The winter season has brought along the usual colds and flu that many of us have already experienced. Please be vigilant with the oncoming signs not only for colds and flu but also for **chicken pox and whooping cough** that are around our community at the moment.

I would like to thank all my Teachers, Teacher Assistants, Admin Officers, Grounds Person, Cleaning Staff and OSC Staff for their dedication and commitment in the work they do. I would like to thank all mums and dads who helped out during the term. A very special thank you to the School Board and P & F for all you do for our school and continue to do so. Your immense help provides our children with the resources and education they need to become good citizens of tomorrow.

I would also like to take this opportunity to thank all of you for your continued support of our staff and myself during the past term.

I wish you all a happy and enjoyable time with your children during the next two weeks.

## TERM 3: FINAL REMINDER

Term 2 ends on Thursday 2 July.

Term 3 commences for staff and students on Monday 20 July  
and ends Thursday 24 September.

**Pupil Free Days: Friday 3 July, Monday 3 August & Friday 25 September.**

## P&F DISCO

Our P&F is as busy as ever. The **disco** was a hit on the evening of Friday 26 June. There were lots of children in attendance and parents who stayed and enjoyed each other's company and the music. Thank you to Sonia Thiel and her members for coordinating this event. Our school has a wonderful reputation for its community spirit and this was demonstrated by the number of parents who pitched in to help before, during and after the disco. Thank you.

## PARENT CONCERNS

Parents are welcome to discuss concerns of any kind, at any time. It is more efficient, considerate and convenient to both parents and teachers if an appointment is made, so that full attention can be given to the issue at hand. Please direct all classroom queries to the classroom teacher first. You may wish to discuss further concerns with the Assistant Principals or Principal.

## ABSENTEEISM

Any absenteeism from school is of great concern to us. It is imperative that your child attends school every day for the entire school term. Parents, consider very carefully the impact absence from lessons has on your child's learning. Studies have shown a high correlation between attendance at school and academic success. Students who miss more than 20 days in any school year can be considered to be at an educational risk.

## FOOD ALLERGIES

The number of children with food allergies in Australia is increasing. The most common food allergies are peanuts, tree nuts (walnuts, almonds, cashews, etc), cow's milk, soy, seafood and eggs. Parents of children with food allergies must ensure they have provided all the relevant information to the school, including action plans, to follow in case of a reaction.

To further assist, the canteen has a system for the placing of orders for children with food allergies. Orders for students with food allergies should be clearly identifiable. This measure will alert canteen staff for the need to adopt additional measures in the preparation of such orders.

## SANTA CLARA SCHOOL – SMOKE FREE ZONE

Please be aware that our school is a Smoke Free Zone. No smoking is allowed on school premises during week days and weekends.

God bless

Principal

### ST CLARE'S FEAST DAY – TUESDAY 11 AUGUST 2015 – TERM 3 WEEK 4

The Feast Day of Santa Clara, whom our school is named after, occurs on Tuesday 11 August 2015. This day is always special to our community. We are going to celebrate her memory with three activities which will help the children remember her story.

We once again ask parents to help to make our Fundraising a success on our St Clare's Feast Day. Each class will organise a stall to raise funds for the children who are in the Catholic Missions around the world. Our stalls will be run during the day and will begin operating at around 10:30am for an hour. We ask that parents volunteer items for the stalls your children's classrooms are operating so that our event is successful. Most stalls will operate at a cost of 50 cents. Some may be as little as 20 cents. Please send your child/ren along to school on Tuesday 11 August with a few coins to spend. Could we please ask that you send along coins such as 10, 20 and 50 cents so that change does not become a concern.

Please note the Feast of Santa Clara Mass will be held on Tuesday 11 August 2015 at the Santa Clara Parish commencing at 9:00am.

The Stalls are:

Year Level	Stall	Please send along ...
Pre-Primary	Popcorn	
Year One	White Elephant	Good conditioned old toys, books etc.
Year Two	Cup Cakes	Cup cakes and other single serve cakes
Year Three	Whole Cakes	Whole cakes with name and ingredients in cake
Year Four	Savoury Foods	Savoury muffins etc.
Year Five	Homemade cookies	Cookies
Year Six	Games Raffles	Lollies and fun packs as prizes

The agenda for the day is as follows:

9:00am – 10:00am	St Clare Mass
10:15am – 10:20am	St Clare information (Year 6's)
10:20am – 11:20am	Market Stalls in the undercover area
11:30am – 12:50pm	Talent Showcase in school hall
12:50pm – 1:30pm	Lunch
1:30pm – 3:00pm	Movies in classrooms

### WINTER CARNIVAL

Congratulations to the Year Four, Five and Six students who participated in last week's Winter Carnival at Maida Vale Reserve. Ten Catholic primary schools participated and Santa Clara finished a credible eighth. The students either played netball, football or soccer. Special thanks to the coaches, Mr Thompson (football), Mrs Ellis (netball), Ms Temmen (netball) and Mr Faithfull (soccer). It was great to see so many students enjoy the day.

#### LIFELINK

Thank you to all the students and parents for making the LifeLink Day a success. The school collected \$575.00 and this money has been sent to LifeLink.

Regards

## ASSISTANT PRINCIPAL NEWS

Hello Everyone

What a busy and wonderful term we have had. It has been a long eleven weeks and students and staff are ready for a well deserved break. Today is the last day for students as tomorrow, Friday 3 July staff will be enjoying a spiritual development day.

**TERM THREE:** Term Three commences for both staff and students on **Monday 20 July**. Stay safe and well over the holidays and we all look forward to a new term.

**STAFF DEVELOPMENT DAY:** A reminder that **Monday 3 August**, Week Three of term, is a pupil free and a staff curriculum development day. Please add this date to your calendar if you have not already done so.

**CYBER-SAFETY:** Over this semester I have provided different sources of information and websites for cyber-safety that I hope have been useful to parents. This week I have included an extract from the NSW diocese of Broken Hill which fits very closely with our own Catholic Education of WA.

*Parents can be confident that their Catholic schools are continuing to provide quality Catholic education in a safe and nurturing environment, equipping students to make a difference in the world as disciples of Jesus. In striving to achieve this goal schools will work in partnership with parents and parishes. This is especially important when using the Internet and other digital technologies where the boundaries between the classroom, the playground and the home tend to overlap considerably.*

*There is no doubt that the Internet and digital technology in general offer an enormous range of opportunities for today's children. They are growing up in a digital environment which provides the capability for instant online communication, information discovery and online publishing. Perhaps more so than their parents and teachers, young people are very comfortable with this technology and they readily embrace and adopt the new technological developments which seem to come along at an ever increasing pace. Not surprisingly then, students in our schools have been labelled The Net Generation or Digital Natives and the electronic media are their social lifeblood.*

*In anticipation of World Communications Day in June 2014, Pope Francis stated: "The revolution taking place in communications media and in information technologies represents a great and thrilling challenge; may we respond to that challenge with fresh energy and imagination as we seek to share with others the beauty of God."*

As we all strive to provide our children with a relevant and safe 21<sup>st</sup> century education, I urge everyone to encourage their children to use the internet with the safety of adult supervision.

**FAREWELLS AND WELCOMES:** As we finish this term we say farewell to Mrs Lisa Tilzey who has been a valuable and important member of the Santa Clara School community for many years. We will miss Mrs Tilzey but know that she will be moving forward and will continue to contribute her wonderful enthusiasm and skills to the Catholic school community at Orana in Willeton. We also farewell and thank Miss Elena Carey who has been working in Year Three and Year Five as admin relief and in Year Four during Mr Tulett's long service leave. Miss Carey will be working in a new school next term although we look forward to her coming back to Santa Clara over the coming semester.

**Thank You!**

God bless everyone. Have a great holiday.

☺ *Emmer*

# Pre-Primary

In literacy we have been learning our sounds and then using our letter/sound knowledge to blend words together. We have also been learning how to correctly form the letters of the alphabet.

In mathematics we have been doing patterns. We LOVE making patterns with all sorts of materials. We have even made patterns with music. We have also learnt the names of 2D and 3D shapes. Our favourite is the pyramid because we learnt that mummies used to be buried in pyramids a long, long time ago (but not in Australia, in Ancient Egypt).

Last week Mr Pol's Nanna came in and taught us all about Aboriginal culture. We learnt about what Aboriginal people ate, how they got their food, what they wore and where they lived. It was so interesting. Our favourite was when we got to touch and hold all of the artefacts. Thank you for organising this fun incursion for us Mr Pol!!

We have been so excited about the school disco!! Sometimes it was all we could talk about. Finally it came and we had the BEST time!! Thank you to the P & F for organising such a fun night for us.

In religious education we have been discussing celebrations. When we celebrate, we gather together to share special occasions or events with others. At the end of term we are going to have a class party to celebrate the beginning of the school holidays. We can hardly wait!

*"Miss Partington do you know why we made this church? Because we love Jesus."*
