Loving God,

may we model respect for individuality and differences.
As we grow in harmony with you and your creation,
may we love the world we see, Dear Lord, and the
children within our lives. A child is like a butterfly in
the wind, some can fly higher than others; But each one
flies the best it can, why compare one against the other?
Each one is different! Each one is special! Each one is
beautiful!
Amen

Dear Parents/Carers, Staff and Students

Another term comes to an end. Time flies when we’re busy learning. What an exciting and productive term it has been, both for students, teachers and other staff.

On behalf of the whole school, I do hope you and your family have a relaxing and renewing school holiday break and that all children return to school safe and well.

School Commences for students in Term 4 on Monday 10 October.
School Ends for Students Friday 9 December and Teachers on Friday 16 December.

Kindergarten Interviews

Kindergarten interviews have commenced for the 2017 school year. With places filling fast, please encourage those in the wider community who may be thinking of sending their child to Santa Clara to contact the school to ensure they secure a position. Vacancies are also available for the Years 4, 5 and 6 in 2017. Enrolment forms are available on the school website or via the office on 9451 0400.

BULLYING AND HARRASSMENT

In the school community of Santa Clara School, the total development of the child is of prime importance, the dignity of the individual is respected and Gospel values are reflected in teaching and all other aspects of everyday school.

This school does not and will not tolerate bullying or harassment. All students have the right to learn, play and socialise in a safe friendly environment. Our school aims to maintain a safe, tolerant and supportive setting in which everyone feels valued and respected and where individual differences are appreciated, understood and accepted.

The teachers are fully aware of the importance of trust that children need to have in their relationships with them as a mechanism for addressing their concerns, worries and problems.

Our ‘Good Manners’ initiative at Santa Clara has proved to be great success where all children learn to show respect to themselves and to others.

Your role and duty as a parent is:

Encourage constructive responses – report all instances of bullying to school.
Remind your child that hitting back or retaliating won’t solve the problem.
Encourage your child to talk to a teacher.

CAR PARK

As you would be aware each afternoon at 3.00pm the carpark is extremely busy around the school. I would like to stress the importance for all drivers to be patient, considerate and kind to all road users. The drive through lane either in front the school office is not for parents to park and pick up their children. I do not wish to ever write a letter to parents notifying them of an incident or accident regarding the safety of students at drop off or pick up times. Please work together to ensure the safety for all our students.

ABSENTEES & HOLIDAY NOTIFICATION

Parents are asked to notify the school well in advance of taking students away on holidays during term time if at all possible. I appreciate that this is not always possible where a family emergency may arise.

In addition, it is a requirement under the Education Act that parents provide a written explanation for each student absence. The school is then required to retain these as a record for audit purposes. Notification by email is acceptable.

Thank you for your assistance and cooperation in these matters.

God Bless
Richard Win Pe
Principal
HAPPY HOLIDAYS
I would like to wish all Santa Clara School children, parents and staff the best for a relaxing and safe holiday (Friday 23 September to Sunday 9 October 2016 inclusive).

HELping THE ST VinCente de PaUL SOCIETY
CHRISTMAS APPEAL - 2016
It has been the tradition at Santa Clara that the school community rallies together to support the very worthwhile charity of St Vincent de Paul. It would be great if we could receive non-perishable goods to allow St Vincent de Paul to make up Christmas hampers for those who are struggling around the StJames / Bentley area.

Some Christmas Appeal items could include:

- Christmas pudding
- Tea / Coffee / Milo
- Fruit mince pies
- Long life juice
- Vegemite / Peanut butter
- Cleaning products
- Custard
- Long Life Milk
- Tinned vegetables
- Christmas cake
- Muesli bars
- Toiletries
- Tinned Fruit
- Cereal
- Tinned peas / corn
- Pasta & Pasta Sauce
- Pancake mix
- Washing powder
- Bon Bons
- Dried fruit
- Jelly
- Jam
- Socks
- Nappies

Please remember it is important that the goods purchased must be non-perishable food items within the expiry date to be used.

Our appeal begins on Monday 24 October (Term Four Week Three), and continues until Friday 11 November 2016 when the hampers will be collected by St Vincent de Paul volunteers and distributed to those in need around Christmas time. Please be as generous as you can – maybe picking up one or two items for a hamper each time you go to the shop is a great way to help others. Many of us have “too much” and have never struggled to pay the rent or put food on our table. We can only imagine what it would feel like to tell your children to go to bed hungry because there is no money to buy food. Please be like Jesus and help others.

All donations are to be given to your child’s teacher or at Administration.

This term, the Year Six class has been doing lots of exciting activities and events. We have recently had a camp at Fairbridge Farm in Pinjarra, the faction athletics sports carnival, school photos, lots of projects, class work and book week.

On Wednesday the 17th of August was the first day of camp. We said goodbye to our parents and travelled by bus to Fairbridge Farm. Once we had arrived there, we explored our dormitories, unpacked and settled in. The activities we did on the first day were archery and rock climbing. It was very rainy and really bad weather that day which made it more difficult. On the second day, Mr Tulett arrived and the weather was looking better. The activities we did in the morning were orienteering and low-ropes. In the afternoon we did damper and boomerang making. Time flew past and it was already Friday! It was our last day on our amazing Year Six camp and we were looking forward to our final activities which was the giant swing and the flying fox. On the bus ride back to school we were all exhausted and excited to see our family again.

In class, we have been learning a lot of interesting things this term too. In Maths, we have been learning about fractions and how to add and subtract fractions with different denominators. We have also been learning how to add mixed fractions and simplify fractions too. In English, we have been planning and writing a narrative which needed to have a character from our culture and this character in our narrative should be playing in a competitive event that originated from our culture. In Religion, we have been learning about how we use our bodies to show love and goodness to everyone and we have also been learning about the promise of Baptism, and what that is. In addition, our class has been working on a project to redesign the undercover area on the oval into a more usable space for the students. We have selected groups and have been thinking of ways we can fundraise $5000 to design this area. In our groups we will need to present a presentation to the school staff, showing our designs for this area. Also in our groups, we will need to do an oral presentation to Mr Win Pe.

This term we have also had lots of exciting activities and events. We participated in the book week where we dressed up as our favourite book character. We also had Saint Clare's Feast Day where we held lots of fun stalls for student to play and have fun at. On Monday last week, we also had our Faction Athletics Sports Day, where we had lots of fun in the sun, played our team games and ran in our individual races. This term has been extremely exhausting and exciting with all this learning and fun we have had!
